

Product Change Notification (PCN)

PCN Number	508048	Date Issued	November 13, 2019
Reason for Change	Obsolete		
Change Type Description	This is to inform you that the part(s) referenced in this notice will be made obsolete. Please contact your Molex Sales Engineer for possible alternatives.		
Reason for Short Notice	Force Majeure		
Planned Implementation Date	August 01, 2020		
Last Time Buy Date for Obsolete Parts	May 01, 2020		
Last Time Ship Date for Obsolete Parts	August 01, 2020		

After Change

RELEASE

Overview

- Product is being obsoleted due to procurement challenges in obtaining raw material for this product. The terminal is produced using a BeCu (beryllium copper) alloy as this alloy has unique properties to enhance electrical performance. We have not been able to find a replacement material that solves both the electrical performance challenge as well as meeting price and delivery expectations. Reduced demand has resulted in diminished capacity, longer lead times, higher minimum order quantities and higher prices.
- *No Replacements Available
- Part Number Impact
 - See attached impacted parts list

Product Change Notification (PCN)

You may address any technical inquiries regarding this PCN by sending E-mail to pcn_coordinator@molex.com or your Local Sales Engineer.

Note: While responding, please retain "**PCN Notification:508048**" in the e-mail Subject line for faster response.
