DESCRIPTION AND PURPOSE OF CHANGE:  In order to meet current market demands, Würth Elektronik will update the chip version to the newest version.  All products with date code 2021-10-01 or later, will be affected by this change.  There will be no change in form, fit, quality or reliability of the product.				
DETAIL OF CHANGE:  With the chip update the opto electrical parameters for the parts have been updated.				
Product Number	Old optical output [lm]	New optical output [lm]		
150353RS74500	min 44 / typ 55	min 55 / typ 70		
150353FS74500	typ 330 mW	typ 350 mW		
RELIABILITY / QUALIFICATION SUMMARY:  The required reliability test, according to internal standard, have been finished and the product quality have been confirmed.
