Bourns® Trimpot® Product Line Announces Product Change for Model 7914S

Bourns® Trimpot® Product Line announces a new design layout for the carrier tape of the Bourns® [Model 7914S Tact Switch](#). This improved design provides a more secure fit for the model and increased stability in the shipping and handling process.

Current Design

Improved Design

The new carrier tape design will begin the phase-in process during the month of January, 2012. The effective date code will read 2A on the Bourns packaging label.

If you have any questions, please contact [Bourns Customer Service](#).
