June 28, 2013

**Product Discontinuance Notification (PDN) 146842:
Discontinuance Notice - MAX3670EGJ Timing Product**

Description:

Microsemi is announcing the discontinuance of the MAX3670EGJ Timing products built in 32QFN 5x5 package with PbSn (lead) plating.

Reason for Discontinuance:

The decision to discontinue these products was driven by diminished demand and low forecast volumes.

Customer Impact:

These devices are being removed from Microsemi's product offering and will no longer be available for order after March 28, 2014.

Every effort should be made to place last time buy orders in a timely manner and avoid waiting until the last moment to place orders. If you anticipate that your last time buy requirements will exceed the current run rate, for specific devices, please provide your CMPG Sales Representative with a forecast of the requirements.

Replacement Parts:

The recommended replacement parts are the MAX3670ETJ+ and MAX3670ETJ+T.

Last Order Date: March 28, 2014

A last time order is in effect until March 28, 2014. Please note that all orders must be booked as non-cancelable non-returnable (NCNR) by no later than March 28, 2014. No new orders will be accepted after this date. Although Microsemi will attempt to accommodate all requirements, it is highly recommended that orders be placed as far as possible in advance of the order deadline. The inventory is limited so orders will be taken on a first-come, first-served basis.

Last Shipment Date: March 27, 2015

Deliveries can be scheduled up to March 27, 2015

Microsemi Corporation
One Enterprise, Aliso Viejo CA 92656 USA
Within the USA: +1 (949) 380-6100 · Sales: +1 (949) 380-6136
Fax: +1 (949) 215-4996 · www.microsemi.com

Template: ICG-F-0004 rev 1

Please note that Microsemi will continue to ship last-time-buy orders as requested only through March 27, 2015. Product orders must be scheduled to ship no later than this date.

Products Affected by this Discontinuance:

The Low-Jitter 155MHz/622MHz Clock Generator parts are affected by this change:
MAX3670EGJ
MAX3670EGJ-T
