

EOL NOTICE for

PM5462-KIT

PSX/PFX/PFX-L 48/32/24xG3 3-Slot Evaluation Kit

Microsemi is discontinuing the shipment of the **PM5462-KIT** PSX/PFX/PFX-L 48/32/24xG3 3-Slot Evaluation Kit, as of July 11, 2018.

The replacement for PM5462-KIT, is the **PM5461-KIT** PSX/PFX/PFX-L 96/80/64xG3 Evaluation Kit pictured below.

The PM5461-KIT has a 96 lane switch on it, which provides a superset in features, as compared to the PM5462-KIT.

No last time buy date, nor last time ship date for PM5462-KIT is necessary as we have the replacement PM5461-KIT evaluation kits, in stock.

Affected Boards:

Microsemi Description	Microsemi Part Number	Replacement Part Number
PSX/PFX/PFX-L 48/32/24xG3 3-Slot Evaluation Kit	PM5462-KIT	PM5461-KIT

However, if customers prefer to purchase a card to simply evaluate a PCIe card with the Microsemi Switchtec Gen3 PCIe 32 lane device, then they may purchase from www.SerialCables.com by clicking on the following links:
