TE Connectivity

Product Change Notification: P-18-015520

PCN Date: 28-FEB-18

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Materials Obsolescence and Unit of Measure change HTAT Heat Shrink Tubing.

Description of Changes

This is a duplicate PCN due to system errors. This is a duplicate of PCN E-18-001921 dated 1st February 2018. This is a double notification for HTAT tubing from TE Connectivity. This informs our customers that due to an obsolescence of a raw material HTAT tubing has been modified. The part number list attached shows you the HTAT products that are affected. To identify the change of material and the new IMDS record new part numbers will be issued although products descriptions remain the same. Please note for Stick products (-STK) the Unit of Measure has changed to PIECE. Previously it was either Feet or Metres

Reason for Changes:

Part status change. Due to the limited availability of raw materials TE will not accept orders for the original HTAT part number after 20th March 2018. We will begin shipping the new part numbers after 30th April 2018. If you require a PPAP or specific testing please inform us within 90 days of receiving this notification so we can coordinate the documentation and support your requirements. This should be requested from your local customer care representative. Should samples be required a limited range of product is available based on the products used for qualification purposes, please base your sample request around these parts (see attached spread sheet for part availability). After this notification period we will begin the transfer. TE will take no reply as customers being satisfied with the TE internal qualification and testing. In some cases it has been necessary to update the product packaging. Please see the attached spread sheet for product packaging details.
