

Product Change Notification

TE Connectivity

Product Change Notification: P-20-019341

PCN Date: 15-JUL-20

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
HVA280 3PX Housing Inner Header

Description of Changes
Additional mold capacity tools are being launched for TE component pn 2103321-x. This part number is the plastic inner housing split header HVA280 3PX. Conformance to product performance has been verified through validation testing.

Reason for Changes:
Product improvement. Dear Customer, we hereby inform you of a mold tooling capacity increase on our HVA280 3PX Split Housing Inner Header, to handle product demand. The tooling capacity launch and introduction follows a strict TE internal release procedure and certified management system to maintain form-fit-function integrity of the concerned products.

Estimated Dates:

Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
	15-OCT-2020
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
	No Mixed Shipments
