Reason for Changes:	
Product Improvement. Dear Customer, in an effort to continuously improve our products, TE-ICT will increase the interface seal flange thickness. This product change will not impact part fit or function. You may get mixed shipments. IMPORTANT: This is a continual improvement so the current and previous revisions of these parts can be used interchangeably in the field. These changes are being phased in gradually and previous revision can remain stocked until use. Product drawings are not affected.
