PRODUCT DISCONTINUANCE NOTICE (PDN)

PDN#	WPD-150410-001	Last Order Date	Jun 30 th , 2015
Issuing Date	May 15 th , 2015	Last Ship Date	Dec 15 th , 2015

PRODUCT(S) AFFECTED :**Attachment :** Yes No

Affected Part#	Replacement Part #	Comments
WizFi630	None	This is WiFi module that supports 802.11b/g/n and full AP mode. The main WiFi chip is from Mediatek(Ralink).
WizFi630-EVB	None	

REASON FOR DISCONTINUANCE:

- Obsolete Design/Process Technology
- Obsolete Package/Assembly Technology
- Declined Market
- Other : CE certificate failure

NOTE

During the CE certification process, an error with the core chip RT3050T was found. We requested Mediatek(Ralink) to fix the error for the CE certification, but, Mediatek refused due to the following reason; RT3050T is an old product and its market share is very small resulting in this PDN.

DISTRIBUTORS NOTIFICATION :

As a result of discontinuance reason(s) listed above, WIZnet has decided to discontinue WizFi630 and notify you through this Product Discontinuance Notice (PDN). We strongly recommend you to not promote WizFi630 and take appropriate steps for the customers using WizFi630. As of now, we do not have any direct replacement solution for WizFi630. However, we are developing WizFi630A as an alternative product of WizFi630 but without a fixed schedule for official release. WIZnet will prepare stock of WizFi630 to cover orders until the end of 2015. In order to do so, we need order forecasts and official last buy orders from customers. Please try to complete this process by the end of May. WIZnet will not accept any orders after June 2015. If the order is placed before July 2015, WIZnet will provide them until the end of this year according to the delivery schedule described in the last buy order sheet.
