To Whom It May Concern,

This is to inform you that Essentra has been forced to temporarily stop supplying part number LTG-1. You are being notified because you have ordered this part in the past.

This is hopefully a temporary issue as we are currently experiencing supply chain issues for this part. Until then, we can offer part number GR67464121A as a replacement that is a functional alternative, but not an exact match. Please refer to the supplied drawings and summary below for key differences.

The effective date is April 1, 2022 and lasts until further notice. If you have further questions, please speak with your sales contact.

Best Regards,

Greg Mifsud
