EOL Ordering Part Number	UPC	Recommended Replacements	UPC
MTCAP-LSP3-915-041A	789407371479	MTCAP-LNA3-915-041A	789407371455

Product specifications are subject to change without notice.

MTCAP models are encryption items. U.S. Export Administration Regulations have special restrictions on the export of encryption items; please refer to these regulations. Any export of commodities, technology, or software must be exported from the United States in accordance with the Export Administration Regulations. Export or diversion contrary to U.S. law is prohibited.

IV. Warranty and Support

MultiTech will provide technical support and repair or exchange of the products listed in this announcement through the warranty period of the installed device. However, no firmware/software updates or maintenance releases will take place post EOL date.

Technical Support Services

At MultiTech, we're committed to providing you personalized attention and quality service while providing you a quick response to your product support needs. We have several options of support for you to choose from. For additional information on Support Services as well as other service offerings, please contact your MultiTech representative or visit www.multitech.com/support.go

V. Suggested Action Plan

We recommend the following actions be taken:

- Forward this announcement to others within your organization who are actively involved in the sale or support of the devices listed in this announcement.
- Remove discontinued/EOL models from your pricing system and website.

VI. Additional Information

If you have any questions or require additional information on this End-of-Life Notification, please contact your MultiTech sales representative.
