

## End of Life Notification

From time to time we find it necessary to change, modify, or replace our product offering. These changes are usually the result of advancements in technology that offer improvements in performance or manufacturability. Unavailability of component parts, generally of an earlier technology or an older design, can cause the obsolescence of outdated product families.

We sincerely appreciate your business and will make every effort to work with you during your transition to the new power supplies. In some cases of obsolescence, a new advanced model has been introduced to replace the existing power supplies. All products now being discontinued are available for an end-of-life last time buy.

The entire MP series of Cases and Modules will have a status of End Of Life/Last Time Buy starting 1-June-2018 through 1-June-2019 at which time all orders must be placed. Last deliveries must be scheduled by 1/1/2020

The recommended suitable replacement for the MP series is the iMP series products that have better performance with the same form factor. As an alternative, the lower cost uMP is also an excellent replacement product series. If you have any questions or need specific application assistance, please contact us (you may visit <https://www.artesyn.com/contact>. Email to [productsupport.ep@Artesyn.com](mailto:productsupport.ep@Artesyn.com) or call 1- 888-412-7832) or your local sales representative to assist you. Thank you for your continued patronage.

The following series/models have been marked as EOL:

Model No	Product Rank	Replacement Model	Replacement Info	LTB start	LTB end
MP1 Case w/PFC	L		Use iMP as direct replacement and uMP as lower cost replacement	06/01/2018	06/01/2019
