		Date Issued	
Reason For Change	New, Modified, Or Replacement Tooling		
Change Description	The purpose of this letter is to inform Customer that original progressive tooling of 745480010 is broken and no longer capable for producing product. So new tooling need to be kicked off asap to support customer's demands. The new tooling's qualification has completed, FAI also passed so we plan to run product by new tooling after 1st July to make sure we will not delay customer's request date of current orders. This is only tooling replacement, no form fit function change on product and also process keep the same without change.
