

Universal Tilting TV Mount – 42” to 70”

Part Number: CE-MT0L11-S1

Overview

SIIG’s Universal Tilting Wall Mount - 42" to 70" is designed to accommodate flat-panel TVs from 42" to 70" with weights up to 165 lbs (75 kgs). It is made of 2mm thick heavy-gauge cold-rolled steel for durability and provides tilt adjustment of 0° to 15° for optimal viewing angles.

The Universal Tilting TV Wall Mount features safety screws for anchoring TV rail to wall bracket to limit shifting and movement and large rectangular shaped access holes for convenient cable routing and wiring access. The sliding bracket design with included bubble level allows easy installation and horizontal adjustment for perfect screen placement (even after installation). This TV wall mount is the perfect solution enabling you to free up your space and compliment your flat-panel display with a clean, sleek, and professional touch.

The Universal Tilting TV Mount - 42" to 70" is compatible with universal and VESA mounting patterns and is backed by SIIG’s limited 5-year warranty.
