## Two Post Sliding Rack Shelf *RSP Series*

100 lbs (45 kg) Weight Capacity

### Features

- Constructed of 14 gauge steel.
- Universal design mounts to any standard EIA compliant rack or cabinet.
- Allows easy rack mounting of equipment or items that do not have rack mounting capabilities.
- Easily gain rear access to non-rack mounting equipment.
- Heavy duty ball bearing slides included
- The slides feature a stopping mechanism, preventing the shelf from accidentally falling out of the slide tray.
- Up to 100 lbs (45 kg) in weight capacity.
- Optional dividers help organize and support equipment such as consoles and cable boxes. The dividers are also great for bookends, organizing binders and literature.
- Rugged textured powder paint finish.
- TAA compliant for GSA Schedule purchases.
- RoHS and REACH compliant.
- Manufactured in North America.
