

Please see the attached PCN from Advantech. Advantech is announcing the product change of the following part numbers.

Product Change Announce Date	9/10/2021	The publication date of this notice
Cut In Schedule	9/14/2021	The schedule Advantech will start to implement the change in mass production
Impact Product Family	SOM-6898	The product family which will be impact by this PCN
Ordering PN Change	No	Will the ordering part number be changed?

### **Product Part Numbers Affected by This Announcement**

<b>PCN Part No</b>
SOM-6898C7-U8A1E
SOM-6898C5-U6A1E
SOM-6898C3-U4A1E
SOM-6898CR-U4A1E
SOM-6898C7Z2-U8A1E
SOM-6898C5Z2-U6A1E
SOM-6898C3Z2-U4A1E
SOM-6898CRZ2-U4A1E

### **Description Of Change**

Change TI Power IC from 1410025708-01(TPS54335, 4.5V) to 1410029869-01(TPS54334, 4.2V).

### **Reason For Change**

Product enhancement to increase voltage tolerance and extend EC life-cycle.

## **Customer Impact of Change**

Impact Of Mechanical Design: No

Impact Of Software: No

Impact Of Environment Characteristic: No

Impact Of Agent Certification: No
