

Caster Kit for CST20AC 20-Device AC Charging Station Tower

MODEL NUMBER: CSTCASTERKIT20

Mounts to Tripp Lite CST20AC charging station tower to allow it to be moved from one room to another.

Features

Modify Your Charging Station Tower for Smooth Mobility from Room to Room

This heavy-duty caster set allows you to roll your Tripp Lite CST20AC charging station tower from one room to another, rather than mounting it to a wall. The CSTCASTERKIT20 includes four casters (two swiveling) designed for smooth rolling between locations, even through doorways and across carpeting. It also comes with a locking rear door, two handles and a sturdy wood mounting platform with pre-drilled holes for the included mounting hardware.

Highlights

- Optional caster kit provides your charging station tower with mobility
- 4 heavy-duty casters roll smoothly across level floors and through doorways
- Locking rear door helps protect contents against theft, damage or tampering
- Wooden platform features predrilled holes for easy mounting with included hardware
- Designed for Tripp Lite CST20AC charging station tower

Applications

 Turn a charging station tower into a mobile cart that can be rolled from one position to another
