

Product Termination Notification

Product Group: Film Capacitors/8th March 2019/PTN-FC-001-2019 Rev 0

Termination of Series F1772-3 300 V-X2

DESCRIPTION OF CHANGE: This PTN informs the termination of this RFI X2 series, with the purpose of streamlining film capacitors portfolio.

CLASSIFICATION OF CHANGE: Product Termination

REASON FOR CHANGE: Streamline Portfolio

EXPECTED INFLUENCE ON QUALITY/RELIABILITY/PERFORMANCE: Not Applicable

PRODUCT CATEGORY: Film Capacitors

PART NUMBERS/SERIES/FAMILIES AFFECTED:

Affected Part numbers are coded as F1772xxx3yyy where “xxx” defines capacitance value and “yyy” defines packaging and terminal configuration.

Standard series F1772 X2 310Vac can be used as a direct alternative.

VISHAY BRAND(s): Roederstein

TIME SCHEDULE:

Last Time Buy Date:08/09/2019

Last Time Shipment Date: 08/03/2020

This PTN is considered approved, without further notification, unless we receive specific customer concerns before 8th of May 2019 or as specified by contract.
