

Telephone Straight-Through Modular In-Line Coupler (RJ45 F/F), 10 Pack

MODEL NUMBER: N033-001-10PK

Highlights

- Heavy-duty ABS housing
- Includes 10 couplers

Package Includes

- (10) Telephone Straight-Through Modular In-Line Couplers (RJ45 F/F)

Connects two telephone cables with RJ45 ends to create one longer cable. Provides feed-through connection with standard wall plates. Recommended for telecommunications and data networking applications.

Description

The N033-001-10PK Telephone Straight-Through Modular In-Line Couplers (F/F) connect two RJ45 telephone cables to create one longer cable. Not Cat5/6 rated, these couplers provide a female-to-female feed-through connection for use with telephone-type applications. Recommended for telecommunications and data networking applications in which connecting existing cables is preferable to replacing them with longer cables. Package includes 10 couplers.

Features

Combine 2 RJ45 Telephone Cables

- Recommended for telecommunications and data networking applications
- Save money on replacing current telephone cables
- Heavy-duty ABS housing
- 10 couplers included
