

November 22, 2010

Dear Valued Distributor:

**Effective November 22, 2010: 3M EMD will discontinue the following list of Aluminum and Copper Foil Tapes.**

Aluminum Foil Tapes

- Al-1010S, Aluminum Foil/Epoxy Film Tape
- Al-25BT, Aluminum Foil Tape
- Al-25DC, Double Coated Aluminum Foil Tape
- Al-37BLK, Aluminum Foil Tape
- Al-40BLK, Aluminum Foil Tape
- Al-50BT, Aluminum Foil Tape

Copper Foil Tapes

- 2245, Embossed Copper Foil Tape
- CU-1010S, Copper Foil/Epoxy Film Tape
- CU-35C, Copper Foil Tape

3M carries an extensive line of both Aluminum and Copper foil tapes that can be used as potential replacement products. There are no direct replacement products for any of the discontinued products list above therefore any replacement products must be approved for each application by the customer.

Key points concerning these product discontinuation

- July 5, 2010 price page pricing will be honored
- All active PR pricing will be honored
- Inventory level may vary by product impacting lead times

For questions about these or other 3M OEM electrical products, call Customer Service at (800) 676-8381.

Cordially Yours,
