To: All customers using the BBA-322-A and BBA-519-A amplifiers

Re: End of life notice

Dear customer,

Linx Technologies is discontinuing production of the BBA-322-A and BBA-519-A amplifiers.

We will continue to supply products to customers as stock allows. These parts are not recommended for new designs.

Parts may be scheduled for delivery up to six months after the last time buy date on a non-cancellable, non-refundable basis, depending on availability.

We are committed to working closely with our customers during this discontinuation. Please contact Linx if you have questions, concerns or would like more information.
