To whom it may concern:

CKCA43X7R1H102M085AA is not a valid TDK part number and this thickness wasn't produced and isn't available at this time and should be ordered as CKCA43X7R1H102M100AA.

We apologize for any confusion.

Thank you,

A handwritten signature in black ink that reads "Michael Tumminaro". The signature is written in a cursive style with a large initial "M".
