

Product Change Notice

Issue Date: 18-September-2017

Change Type:

Mark and Pack Related Change: Change in cover tape material.

Parts Affected:

Please refer to attached Appendix.

Description and Extent of Change:

Broadcom is changing the cover tape material to improve the auto inspection at the tape and reel process.

Reasons for Change:

This is part of Broadcom's plan to improve product quality.

Effect of Change on Fit, Form, Function, Quality, or Reliability:

The device specification will remain the same as this is only related to packaging material.

Effective Date of Change:

Product shipments using these changes will begin in Dec 2017. Timing of shipment of the changed part will depend on customer demand and inventory levels.

Qualification Data:

Qualification data and customer samples are available and will be provided upon request.

Qualification data has been generated and approved.
