

DATE: 20 April 2020
ATTENTION: To Whom It May Concern
SUBJECT: End-of-Life Notification
REFERENCE: Panduit #PUM-925-C0

Thank you for inquiring about “PUM-925-C0”. Panduit periodically reviews its entire product portfolio to ensure that we are offering the mix of solutions that best serves our customers and grows our business effectively and efficiently. As a result, the above referenced part number has been selected as one of the part numbers that does not contribute to this ideal mix of offerings. In addition, our records indicate that there have been almost no sales of this part number for the last few years.

Therefore, please consider one of the following options.

PUM-925-M0 1,000pc. Blk.
PUM-925-C30 100 pc. Heat Stabilized Blk.

Thank you once again for your business and continued partnership.

Kindest regards,

Deborah Whitmire
