Additional leadframe suppliers for SOT23 package

Details of this Change

Additional leadframe suppliers will be introduced for part of the SOT23 portfolio in addition to the existing ones.

The additional suppliers use the same raw material from the same supplier as the existing leadframe suppliers.

Why do we Implement this Change

The additional leadframe suppliers are introduced to gain more flexibility and a better supply safety.

Identification of Affected Products

Traceability is given by the production lot number.

Product Availability

Sample Information

Samples are available upon request Latest sample request date is September 22, 2013.

Production

Planned first shipment 20-Nov-2013

Impact

no impact to the product's functionality anticipated.

Disposition of Old Products

The additional leadframe suppliers will be used in parallel to the old suppliers

Additional information

Timing and Logistics

Your acknowledgement of this change, conform JEDEC JESD46 D, is expected till 30-Sep-2013.
