Statement

Saia-Burgess, LLC certifies that the part number(s) listed below complies with the European Directives 2002/95/EC and 2011/65/EU (RoHS) to the best of our knowledge. This includes any RoHS exemptions which have expired prior to the date of this letter. Our material suppliers certify that they do not use RoHS-restricted substances in the manufacture of their products sold to us but we do not independently audit or certify products that we purchase from our suppliers. Some of our products may contain components made from leaded steel containing up to 0.35% lead by weight, which is allowed per exemption 6a (lead as an alloying element in steel for machining purposes up to 0.35% lead by weight).
