No. 22007

PRODUCT DISCONTINUANCE (PHASE-OUT)

May 11th, 2022

Phase-Out of HAL1820 / HAL1821 / HAL1822 / HAL1823

Dear Customer,

TDK-Micronas strives to propose to its customer the best-in-class quality products to answer the market constraints and customer's demand. However semiconductor products have a limited life time.

Consequently, it is necessary for TDK-Micronas GmbH to discontinue the production of the following products:

Discontinued Products	Possible Replacement / Alternative
HAL1820-UA (PTO92UA)	HAL1880-UA (PTO92UA)
HAL1821-UA (PTO92UA)	HAL1881-UA (PTO92UA)
HAL1822-UA (PTO92UA)	HAL1882-UA (PTO92UA)
HAL1823-UA (PTO92UA)	HAL1883-UA (PTO92UA)
HAL1820-SF (SOT89B)	No replacement
HAL1821-SF (SOT89B)	No replacement
HAL1822-SF (SOT89B)	No replacement
HAL1823-SF (SOT89B)	No replacement

In order to ensure your back-up demand, we kindly ask you to predetermine your total demand for the "last buy" and give us your last orders by June 30th, 2023.

Phase-Out Plan:	
Last Order Date: (firm, non-cancellable orders)	June 30th, 2023
Last Delivery Date:	December 22nd, 2023

Please note that last buy orders are firm, non-cancellable and have no reschedule possibility. An official receipt of this document would be highly appreciated. This PTN is valid without signature.
