## Reason for the Change

- Intel LAN Controller i211-AT was phased out in Oct. 2021. Recently Intel confirmed not capable of fulfilling the LTB demand to Advantech since TSMC terminated supply of i211-AT wafer to Intel.
- Due to insufficient supply of i211-AT from Intel, for the EOL P/Ns, only the backlog before the end of 2022 can be fulfilled.
- No LTB date/orders are accepted due to insufficient supply of I211-AT from Intel.
