

**Product Obsolescence  
Without Replacement**

**Notification PCN # 12272**

To: Molex Distribution

From: Mike Keith, Product Mgr.

Date: Oct 11, 2012

---

Economic pressures are requiring that Molex prune some of our underperforming products. Molex recognizes that this is an inconvenience for our customers so we will continue to accept additional orders for these products through the date indicated below to allow you sufficient time to transition to an alternate product.

**Part Numbers Affected:**             
739294001,739294002,739294003,739294005,739294006,739294009,739294509,739294510,739293008,739293009

---

**Replacement Part Numbers:**           N/A            
(if applicable)

**Last Order Entry Date:** March 2013 or until all components are depleted.

**Last Ship Date:** April 2013

For further information please contact your local sales representative.

Thank you

**PCN Obsolescence special note:**

If no last time buy orders are received by Molex within 180 days after issue date of the Obsolescence PCN, Molex reserves the right to terminate production at any time at its own discretion. MOQ and lead time will be negotiated at time of order placement and will be dependent upon material availability. Molex will make all efforts to meet customer order requirements. Orders placed after Obsolescence Notification and subsequently cancelled will be subject to a cancellation charge.
