**Description OF Termination:**

Due to internal standardisation, Würth Elektronik will replace the part 649600124015 by a new part 649700124015.

The reason of the PTN is the change of the terminal of the part number 649600124015. The terminal will change from 64900613722DEC to 64900713722DEC to improve the enclosure of the insulator.

No impact of the technical properties.
