

27th February 2020

Panasonic Battery Customers:

The purpose of this letter is to inform you that Panasonic is discontinuing the small Valve Regulated Lead Acid products. This includes all 6 and 12 Volt batteries with a rated capacity of 17 AH and smaller and some batteries with a capacity greater than 17AH.

The complete list of batteries that will be EOL is attached

EOL Timeline

March 31st, 2020 – Forecast request from customers regarding their expected usage for the next year.

September 30th, 2020 – All final purchase orders must be received.

December 31st, 2020 – End of production

March 31st, 2021 – Last order shipments from Shenyang, China

We appreciate your business and are committed to assist you in this transition. If you have any questions or comments, please do not hesitate to contact your account manager.

Sincerely,

Michael R. Dvorak
Sr. Product Manager
OEM Battery Group

Panasonic VRLA EOL List

Model Number	Description	Model Number	Description
LC-CA1215P1	12 Volt, 15AH	LC-WTP127R2E	12 Volt, 7.2 AH
