

Dear Customer,

We are writing to inform you that TE Connectivity Ltd. has sold a portion of its PTC thermistor product line located in St. Mary's, Pennsylvania, of which you are a customer, to Greg Stauffer, the former Engineering Manager at the facility. The transaction will be effective January 12, 2015.

Greg will be looking to support all part numbers that were previously purchased on the PTC thermistor Line.

Please forward all future purchase orders and queries to Greg Stauffer's attention using the contact details below:

<b>Name</b>	Greg Stauffer
<b>Phone Number</b>	+1 814-781-5920 (office) +1 814-834-1541 (main) +1 814-594-9807 (mobile)
<b>Address</b>	1028 Graphite Road PO Box 249 St Marys, PA 15857
<b>Email Address</b>	<a href="mailto:greg.stauffer@thermistorsunlimited.com">greg.stauffer@thermistorsunlimited.com</a>

All current open orders will be transferred to Greg so that all future product will ship from his operation. Any current outstanding invoices at the close date, will still be payable to Measurement Specialties Inc.

Greg brings with him over 20 years of experience in PTC manufacturing and will be utilizing the current equipment and processes that are now in place. We are confident that the transition will be smooth but we wanted to notify each customer individually. We know that Greg looks forward to servicing your PTC thermistor needs for many years to come.

Sincerely,

Joe Gleeson  
Sr. Director of Operations  
TE Connectivity Sensor Solutions
