

After careful consideration, Staco Energy has decided to discontinue the manufacture and sale of its SB Single Phase UPS Product Line (part numbers in table below) effective January 1, 2022.

We appreciate and value your partnership. While we regret any inconvenience this announcement may cause, we are pleased to announce we have [alternate products](#) using similar designs that provide the same or better performance to the discontinuing products.

Please contact your Staco Energy [sales representative](#) if you have additional questions.
