

Product Discontinuation

PDN-PS-7957-2022

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
PS - Power Supplies	CMU	Product Discontinuation	Notify Distributors and Field	5/9/2022

Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

Description for Product Discontinuation

Purpose of change:

Discontinuation of Phoenix Contact 2320351 (UPS-BAT/LI-ION/24DC/120WH) battery. This is due to the announcement by NEC to cease production of this battery. Due to the drastic increase in demand, order entry for this item has ceased effective immediately.

Detailed Description of the Change:

Successor item 1396415 (UPS-BAT/LI/24DC/128WH) will be available for order entry late May of 2022 with the first deliveries expected to begin late November, 2022.

Application Note:

The battery blocks that will be used with 1396415 are not backwards compatible with the electronics of 2320351. There will be a requirement to do a one time replacement of the full assembly when the battery blocks of 2320351 are needing replacement. There will be no change in form, fit or function as the batteries are nearly the same capacity and will used the same dimension metal housing.

The final production run has begun for 2320351 and Phoenix Contact will continue to ship until all materials have been exhausted globally.

For any orders that cannot be fulfilled by this production run, the orders will be canceled and the responsible distributor partner or direct customer will be contacted by Customer Service.

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	No
