

 HARTING Pushing Performance	HARTING Product Termination Notification	PTN
--	---	------------

Business Unit:	Electronics	PTN/21/006/C+N
Product range:	Interface connectors / Crimpwerkzeuge	Date: 2021-04-15
Author:	Tobias Haertling	
Title:	InduCom Crimp Tool For Flange And Ferrule and related dies - External	

Details of product termination

1. Concerned part number (see also attachment):
Crimp Tool For Ferrule And Flange, <i>part-no.:</i> 61 03 600 0020
2. Reason for termination:
<i>Due to the termination of production and availability of necessary raw materials we have decided to terminate one of our flange- and ferrule crimp tools. The related crimp dies will be still available for a longer period, but even these parts will be terminated soon.</i>
3. Possible replacement products
<p>The replacement tool is the 09 99 000 0647 (Crimptool Opening). This tool will get the same range of crimp dies. <u>The crimp dies are not compatible to the crimp dies of 61 03 600 0020!</u> Main difference of the new product is the slightly larger handles and the opportunity to fold back the upper part of the crimp head. So the crimp parts can be taken out without sticking or if the other parts are bigger than the normal opening of the tool.</p> <div style="display: flex; justify-content: space-around; align-items: flex-start;"> <div style="text-align: center;"> <p><i>Old tool:</i> 61 03 600 0020</p>  </div> <div style="text-align: center;"> <p><i>Replacement tool:</i> 09 99 000 0647</p>  </div> </div>
4. Scheduled date of:
<ol style="list-style-type: none"> 1. <i>Last order:</i> 2021-07-01 2. <i>Last delivery:</i> 2021-08-12
