Reason for Changes:

Dear Customer, we hereby inform you of this packaging change. The change is necessary to conform to automotive packaging standards and provide better protection to parts during transportation. The only noticeable change is the way the product is packaged. The change follows a certified quality management system in accordance with standard automotive requirements. **IMPORTANT:** The packaging change is being phased in gradually and previous revision can remain stocked until use. Shipments of both packaging may be mixed. To avoid any shipment delays, the change is implemented immediately.
