## Product Discontinuation Notice

**Control No. PCN-12481**

**December 3, 2012**

**Type of Change:**     **Design:**                       **Manufacturing**                       **Discontinuation**

We are providing you this notification in accordance with Power Integrations policy of critical change notification. If you have any questions or need further assistance, please contact the PI sales office serving your geographic location.

**Manufacturing of PLC810PG product will be discontinued. The time line for discontinuation and last time order is given below.**

### **REASONS FOR DISCONTINUATION:**

- The subcontract assembly site that has been used to manufacture PLC810PG will cease operation by the second quarter of 2013.
- The ongoing shipment volume of PLC810PG has remained at a low level that has made it necessary to discontinue this product.

Our primary goal is to ensure that our customers experience minimal impact through the end-of-life transition for this product. We are providing the following time line in order to accommodate our customer's in the best way possible.

### **DISCONTINUATION SCHEDULE:**

LAST ORDER DEADLINE:                      31-May-2013

FINAL SHIPMENT DATE:                      31-May-2014

Please contact your local PI sales office as soon as possible to arrange for the end-of-life supply of this product.
