Manufacturing Internal Relocation

Description of Changes
Manufacturing internal relocation. TE is performing a change in the production place in our existing TE plant in Braganca Paulista SP. This lines will be internally relocated on the same floor.
Other attachments:
[Manufacturing Internal Relocation - Braganca](#)

Reason for Changes:
With this PCN we hereby inform you that TE is performing a change in the production place in our existing TE plant in Braganca Paulista SP. This enhancement is required to assure the availability of the appropriate manufacturing area for growing demands and to meet all customer's expectations. This movement will not impact manufacturing technology nor current production process or staff. The related part/process approvals will be done in accordance with internal TE standards and upon request, customer requirements.
