

PRODUCT CHANGE NOTIFICATION

TRIMPOT® TRIMMING POTENTIOMETERS

Bourns® Model 3339 Series Trimpot® Trimming Potentiometers

Part Marking Lettering Update

Riverside, California – June 15, 2022 – Effective July 1st, 2022, Bourns will update the part marking lettering on the [Model 3339 Trimpot® Trimming Potentiometer](#). This change will simplify the lettering on the actual part, making it easier to read the markings on the product.

A list of affected models is included on page 2. The change in part marking lettering will not affect the form, fit, function, reliability or quality of the Trimpot® Trimming Potentiometer. The product specifications will not change. This is being done as a convenience for our customers for easier recognition of the Bourns product.

Current Lettering

New Lettering

If you have any questions or need additional information, please feel free to contact [Customer Service/Inside Sales](#).

Users should verify that the described changes will not impact the performance of the product in their specific applications.
