

March 1, 2021

Dear Valued 3M Customer,

Over the next few months, you will see the new logo printed on our tape cores from Scotch® Brand to 3M™ Brand. As we phase in this new packaging, you may receive a mix of products with both old and new printing designs. We have not made any changes to our tapes, nor will the new printing affect product performance. Appendix 1 highlights the products that will have new core labeling.

Please see examples of the old and new core printing.

If there are any questions or concerns with this change, please do not hesitate to contact your local 3M representative.

Sincerely,

Scott Miller | Global Portfolio Marketing Manager
