

# PROCESS CHANGE NOTIFICATION

<b>PCN Tracking Number:</b>	PCN-2-Q321
<b>PCN Notification Date:</b>	August 27th, 2021
<b>PCN Type:</b>	Major Change
<b>Product Identification:</b>	PT4161LRL, PT4161LRS, PT4161LPL, PT4161LPS
<b>Proposed First Ship Date:</b>	November 25th, 2021
<b>Description of Change:</b>	This PCN announces the addition of Daeduck as the third package supplier to the two already qualified for these devices. Existing suppliers will be maintained. After the PCN expiration date the use of substrate supplier is at the discretion of Astera Labs.”
<b>Method of Identifying Changed Product:</b>	Upon request.
<b>Reason for Change:</b>	Business continuity and risk reduction through multiple sourcing.
<b>Expected Impact to Form, Fit, Function, Quality or Reliability:</b>	No expected impact to any listed factors. No change to package materials. Astera Lab’s choice of major PCN designation is to accommodate for all customer communication expectations for introduction of additional package suppliers to the supply chain.”
<b>Qualification Plan and Results:</b>	3 lots of 75 units each subjected to JEDEC standard pre-conditioning, unbiased HAST, high temperature storage life, and temperature cycle. No failures occurred.
<b>Qualification Samples Availability Date:</b>	August 20th, 2021
<b>Final Qualification Completion Date:</b>	July 23rd, 2021
