

# END-OF-LIFE

## PRODUCT NOTICE

Date: **October 26, 2009**  
 From: **Tim Cutler, Product Marketing Director**

### PRODUCT PART NUMBERS IMPACTED BY THIS END-OF-LIFE NOTICE

RFIC Part Number	Related Developer Kits Are Also Discontinued		Description	Part Numbers Obsolete
	Related Dev Kit Part #			
DM1800-434 MiniMESH Module 434 MHz	DM1800-434-DK DM1800-434-QK		1mW MiniMESH module operating at 434 MHz	DM1800-434MB, DM1800-434MN, DM1800-434MN-V, DM1800-434MR, DM1800-434MR-V, DM1800-434MR-PAH, DM1800-434-PAV, DM1800-434-PBH, DM1800-434MR-PBV
DM1800-916 MiniMESH Module 916 MHz	DM1800-916-DK DM1800-916-QK		1mW MiniMESH module operating at 916 MHz	DM1800-916MB, DM1800-916MN, DM1800-916MN-V, DM1800-916MR, DM1800-916MR-V, DM1800-916MR-PAH, DM1800-916-PAV, DM1800-916-PBH, DM1800-916MR-PBV
DM2200-434 VersaMESH Module 434 MHz	DM2200-434-DK		10mW VersaMESH module operating at 434 MHz	DM2200-434VM
DM2200-916 VersaMESH Module 916 MHz	DM2200-916-DK		10mW VersaMESH module operating at 916 MHz	DM2200-916VM, DM2200-916VM-1

The purpose of this End-of-Life Product Notice is to communicate the obsolescence of the RFIC Products outlined above.

**REPLACEMENT PARTS.** DM1810 series MiniMESH products are recommended as replacements for the DM1800 series products. XDM and LPR series products are recommended as replacements for the DM2200 series products although they operate in the 2.4GHz band.

**LAST-TIME-BUY.** Last-Time-Buy orders (LTB) will be accepted until February 1, 2010. LTB purchase orders will be accepted based on product availability.

**TERMS.** All orders will be non-cancellable, non-returnable and all shipments must be complete by April 1, 2010. All last time buy orders are covered by the RFM standard One Year Product Warranty.

Please contact RFM with any questions, concerns or issues related to this product end-of-life notice.
