December 10, 2021

Dear customers;

Notification of discontinued products

We regret to inform you that we have decided to discontinue the production of the enclosed part numbers. The reason of our decision is that global demand of the part numbers is insufficient.

All sales of these part numbers will follow this schedule;

Applicable product: **Part numbers shown at Appendix A**

Last order date: **March 25, 2022**

Last shipment date from Noritake Chicago warehouse: **From October 1, 2022 to March 31, 2023**
(The delivery date may be adjusted depending on the quantity and schedule of shipments.)

Last-Time-Buy products are non-cancelable and non-returnable (NC/NR). The product discontinuance process is finalized after the aforementioned last shipment date at Noritake Chicago warehouse. Any residual inventory will be scrapped and no longer available for sale.

If you have any further questions, please feel free to contact us.

Thank you for your understanding and cooperation.

Sincerely,

Hironori (Henry) Kato
