

501 - Adjustable Wire Stripper & Cutter

Product Description

For wiring projects ranging from a model railroad layout to a robot to a new light fixture in the kitchen, Xuron's 501 Wire Stripper is the only tool you need.

Designed to quickly and easily cut and strip both stranded and solid wire sizes from 10-30 AWG (2.59 - 0.254 mm).

Key Features

- Wire stripper for stripping wire sizes from 10 to 26 AWG (2.59 to 0.405 mm) in electronics, electrical, and telecommunications applications
- Thumb-adjustable cam sets the stripper to the wire diameter for accurate cuts
- Alloyed steel cutting blades bypass one another for making square cuts without spikes, reducing cutting effort and mechanical shock
- Cushioned rubber handle grips and return spring for user comfort
- Made in the USA

Additional Information

Type of Tool: Wire Strippers / Cutter

Project type: Robotics, Model Railroading, General Hobbies and Crafts, Electronics, Electrical

Wire Size: 10-30 AWG

Material(s): Wire, Wire & Cable, Electrical Wire
