Description and purpose of change:

In order to enhance the product reliability, Würth Elektronik will modify the design of the plastic molded hood. This change has no influence on the functionality of the product, and will allow to ease the plating process. All products with date code 2022-07-18 or later, will be affected by this change. There will be no change in fit, function, quality or reliability of the product.

Detail of Change:

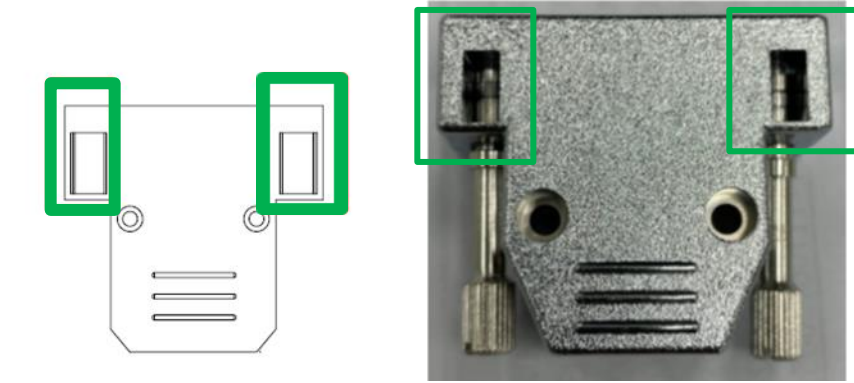

BEFORE :

The openings on the side of the hood above the screws are closed.

AFTER :

The openings are through hole type.

Reliability / Qualification Summary:

Product approval is according to the specification criteria and is internally released by the Product Management Department.

The following item is part of the internal release process: Visual Appearance (Surface, Burr, ...)
