

September 2019

**Product Discontinuation Notice of Aluminum Electrolytic Capacitors**

To whom it may concern,

We regret to inform you End-of-Life of Aluminum Electrolytic Capacitors as follows.

**1. Products to be affected**

- All Aluminum Electrolytic Capacitors whose capacitance is less than 1 $\mu$ F

**2. Background**

These products have been in the market for a long time, but we are facing difficulty in securing stable supply due to availability of materials and maintain the special production equipment.

**3. Schedule**

The last order date: March 2020

The last shipping date: September 2020

**4. Others**

Regarding the replacement products and any inquiries, please ask to our sales representatives.

Sincerely yours,
