

Dear Samtec Customer,

This notification is being sent to inform you of a planned obsolescence in a part(s) you have purchased or enquired about in the past. Samtec's normal policy is not to obsolete parts; however, in some instances we have no option other than to discontinue.

Samtec Series	Last PO Date	Last Ship Date
ICA-328	1/1/2019	1/1/2019

Samtec has taken efforts to ensure users of this product, persons showing interest in the product, and those who have requested change notifications, have been informed. You should assume this is the only notification that will be sent. As the recipient, you should determine how best to communicate this information to your organization(s) and customer(s) as appropriate. If you have any questions, please contact Carmen Monihon, Carmen.Monihon@samtec.com.
