### Identification

|               |                    |
|---------------|--------------------|
| Category      | Connectors         |
| Series        | har-port           |
| Element       | Service interfaces |
| Specification | USB 3.0            |

### Version

|                 |                           |
|-----------------|---------------------------|
| Connection type | Type A jack - type A jack |
| Fixing          | Screwable in cover plates |

### Technical characteristics

|                                        |                |
|----------------------------------------|----------------|
| Ambient temperature                    | -25 ... +70 °C |
| Mating cycles                          | ≥1,500         |
| Degree of protection acc. to IEC 60529 | IP20           |

### Material properties

|                             |                |
|-----------------------------|----------------|
| Material (hood/housing)     | Polyamide (PA) |
| Colour (hood/housing)       | White          |
| RoHS                        | compliant      |
| ELV status                  | compliant      |
| China RoHS                  | e              |
| REACH Annex XVII substances | No             |
| REACH ANNEX XIV substances  | No             |
| REACH SVHC substances       | No             |

Pushing Performance

## Material properties

|                                      |             |
|--------------------------------------|-------------|
| California Proposition 65 substances | Yes         |
| California Proposition 65 substances | Naphthalene |

## Specifications and approvals

|           |        |
|-----------|--------|
| Approvals | DNV GL |
|-----------|--------|

## Commercial data

|                                |                                      |
