# AC/USB Charging Clip for Display Mounts

MODEL NUMBER: **DMACUSB**

Ergonomically friendly space-saving AC and USB charger mounts to your display mount pole to provide easy access to clutter-free device charging.

Description

Ideal for office, hospitality, healthcare, education and any other environments where AC power and USB charging is crucial, the DMACUSB AC/USB Charging Clip attaches to your display mount pole for instant access to clutter-free device charging. The compact all-in-one design fits most display mount poles up to 1.5 inches in diameter for ergonomically friendly power. It features two integrated USB ports (3.4 total amps) for charging your cell phone, tablet and other mobile devices. It also features two NEMA 5-15R outlets for plugging in a laptop docking station and other computer peripherals. No longer will you have to crawl under or reach behind your desk just to plug something in. The removable charge adapter snaps into a holder, which is clamped securely to your display mount pole. Great for traveling, the charge adapter easily unsnaps for providing power on the go. The six-foot power cord with NEMA 5-15P plug reaches nearby wall outlets.

Features

Above-Desk AC and USB Power Solution for Your Home or Office Workstation

- Attaches to monitor's display mount pole with included clamp
- Dual integrated USB-A ports with 3.4A total for charging mobile devices
