

## PRODUCT CHANGE NOTIFICATION COVERSHEET

CTS Part Number: TXBF032025B, TXBF032025U

Product Description: Heat Sink for TO-5 Pkg

Customer: Multiple

Customer Part Number: N/A

**Change Notification Only - No Customer Response Required**

**Customer Authorization Required - Please Confirm Acceptance by E-Mail**

**Reason for PCN:** The stamping tool used to manufacture this product is worn out. The limited demand for this part does not support the cost of replacing the tool. Therefore, the part will be discontinued and this document serves as a notice of End Of Life, effective immediately.

**Description for Change:**

**Change Instructions:** Factory to remove the part numbers from active and orderable status and list as "obsolete". CTS CSRs will notify current and previous customers from the sales history.

**Implementation Date:** 10/31/16 or when the current open orders are completed, whichever comes first.
